Membership Program

FEUSA is the Voice of Family Businesses in America FEUSA is respected and relied upon to be the voice for family business in Washington D.C. FEUSA members meet with legislators and policymakers in Washington D.C. to present information on the organization's latest work and current research. FEUSA members educate legislators and policymakers on the current economic environment that family businesses face around the country.

FEUSA conducts non-partisan research that highlights the contributions of family enterprise to the American economy and the challenges these businesses face, which is then used to educate legislators, policymakers, and the public on the crucial role of family businesses in the economy of local communities.
