Congressional Family Business Caucus

Congressional Family Business Caucus

(a) Mission Statement:

The Family Business Caucus seeks to:

- **Educate** members of Congress on the contributions of family businesses and the tax, economic, and workforce issues that are most salient to these multi-generational enterprises;
- **Support** a regulatory landscape that is less burdensome and promotes entrepreneurship and free enterprise; and
- **Connect** members of Congress with family businesses in their home districts/states.

(b) Goals & Structure

- No specific legislative agenda
- Bipartisan & bicameral
- The Caucus is open to all members of Congress

(c) Activities

- Host fly-in events and seminars
- Promote internships and educational opportunities
- Establish Family Business Advisory Councils

(d) Funding

- Some Events and educational programs may be hosted by third parties like FEUSA
- All activities will comply with House & Senate ethics rules
