Family Enterprise USA promotes generationally owned family business creation, growth, viability, and sustainability by advocating for family businesses and their lifetime of savings with Congress in Washington DC. Since 2007, Family Enterprise USA has represented and celebrated all sizes, professions, and industries of family-owned enterprises and multi-generational employers. It is a bipartisan 501.c3 organization.

Family Enterprise USA promotes family business creation, growth, viability, and sustainability by advocating for family businesses and their lifetime of savings with Congress in Washington DC.

Family Enterprise USA members meet with legislators in Washington D.C., to present non-partisan intelligence, research and information on the economic impact family businesses have on the US economy and job growth, as well as the contributions they make to their communities.
